

Manufacturer WEEE Declaration

LOW FLOW FLUIDICS HANDLING TECHNOLOGY

Declaration regarding Directive 2012/19/EU of the European Parliament and of the Council of 4 July 2012 on waste electrical and electronic equipment (WEEE).

Position on WEEE Directive (2012/19/EU)

The WEEE directive is intended to prevent waste consisting of electrical and electronic equipment from being introduced to the waste stream, and places the responsibility for disposal, and or recycling, of WEEE on its producer.

Bronkhorst High-Tech B.V. supports the objectives of the WEEE Directive to further improve the environmental management of WEEE and contribute to a circular economy by, among other things, recycling of electronics at the end of the life. Bronkhorst High-Tech B.V. has set up processes to ensure compliance with the WEEE Directive.

Bronkhorst High-Tech B.V. products to which this directive applies have been WEEE marked in accordance with EN-50419, see below:
